HOLLY

Holly is just an old fashioned girl who wants to find a loving man to settle down with, who'll treat her like a lady deserves to be treated.

'What I want is someone strong and masculine, but who pays attention to all the little details which make a woman feel so feminine. Someone who'll take a bit of time to worship my body, use his tongue on my breasts and pussy, all over, to make me wet and desperate for him.

'Then he'll gently insert his hot cock into my pussy, not hard and brutal but tender and caring. He'll care about my orgasm, and we'll slowly, languorously make love until I'm ready to come before he takes his pleasure.

'And afterwards he will bathe me, and perfume my body, and arrange for roses and cold champagne to be delivered.

'And he'll always remember to take his boots off in bed!' ♣
